

## **Beck, Dania**

*Director of Philanthropy*

Dania Beck has worked in healthcare for 20 years and specifically in healthcare fundraising for over 17 years. She comes to us after serving most recently as the Director of Philanthropy for Spartanburg Regional Healthcare System, raising funds for the Cancer and Heart service lines. Dania is our new Director of Philanthropy and will be focusing her time on raising major gifts as well as sponsorships for our various events. Dania has two children, a son, Grayson, who is 16 and a daughter, Avery, who is 13. Dania loves to cook and often spends her free time creating new recipes in the kitchen.
