CAMP INFO

Camp Victory, now in its 15th year, is a unique summer camp experience exclusively for the children we serve, their siblings and caregivers. Held at the fabulous Camp Cole facility near Columbia, South Carolina, Camp Victory allows the children to put their day-to-day battle with cancer on hold and enjoy a brief respite and sense of normalcy, as they trade their typical schedule of doctor's visits for summertime fun.

The three-day camp offers CCP families the opportunity to make memories while uniting with others who share their challenges. Children receive the chance to participate in activities such as fishing, kayaking, exploring nature and enjoying hands-on crafts and games.

Camp Victory brings families together and provides a reprieve from their daily challenges. Workshops on affordable nutrition, managing financial challenges and peer support are available for parents and caregivers. Children find new friends who understand the difficulties of the journey.

CAMP RACHEL

Camp Rachel was launched in 2021 to provide bereaved families with the precious opportunity to grieve and to heal in the company of others enduring childhood cancer's greatest tragedy. Families who have lost a child to cancer – Moms and Dads, Brothers and Sisters – come together for several days of fellowship, reflection, and celebration of the lives they have lost, and the memories they treasure.

Outdoor activities provide recreation. Events like the Balloon Release, rock-painting for the Memorial Garden and time spent writing letters to Lost Loved Ones have special meaning. Pastoral counseling and peer support are vital to the Camp Rachel experience.
