AN INTRODUCTION TO CHILDREN'S CANCER PARTNERS

Welcome Volunteer!

Welcome to the Children's Cancer Partners team! While many organizations offer 'parts and pieces' that matter to families battling childhood cancer, none are as immediate, comprehensive, and continuous in their support until a child turns 21 years old. We provide transportation, lodging, and meals away from home for children who are receiving treatment for cancer and their families. We know that you could have chosen to spend your time in any number of ways. We are so happy that you decided to share your time and talents volunteering with us.

This handbook is designed to answer any questions you may have about your responsibilities in your volunteering role. Please review in detail, and reach out to a member of our staff with any questions or concerns. Thank you for your time, energy, and effort in helping us best serve our families!

Helping Families Across the Carolinas

As an organization, we work to benefit families across North and South Carolina. We have volunteer opportunities in each of our offices, as well as on-site for events, fundraisers, and remote volunteering opportunities. We rely on volunteers in each state to meet the needs of our families.

Volunteer Roles and Responsibilities

General Office Volunteers- Our office volunteers assist with data entry, preparing paperwork, sorting donations, organizing office supplies and sorting through our Gifts in Kind supplies in both our Spartanburg and Durham offices.

Social Media/Website Volunteers- Do you have existing skills in Canva, social media, and/or website creation and editing? Our dedicated Social Media volunteers assist with content creation, updates, and edits across Children's Cancer Partners social media pages and our website.

Events Volunteers- We are always looking for volunteer help with our many events each year- including our annual Holiday Party in both North Carolina and South Carolina. Events volunteers can choose to dedicate their time assisting in the preparation/set up of events, assisting during the event in various capacities, or assisting in the clean up after the event is over. There are one-time volunteering opportunities for events and recurring roles.

Fundraising/Advancement Volunteers- Our fantastic advancement team seeks out volunteer assistance with donor recognition, fundraising events, Individual/group/company fundraising initiatives, and the recruitment of additional agency-wide volunteers. There are opportunities for individual, group, and company involvement within our fundraising and advancement team!

Family Correspondence- A select number of volunteers will be asked to take on a more family-facing role with our organization as a Family Caller. Individuals selected for this role must submit to a background check prior to volunteering. We invite any interested individual to contact us for more information at: volunteer@childrenscancerpartners.org

School Advocates for Kidz In Lids- We need volunteers to help promote our Kidz In Lids program in North and South Carolina schools. Kidz In Lids mobilizes students to show concern for local youth who are in a life or death struggle against cancer. Kids simply bring a dollar to school and get to wear a hat throughout the school day. Teachers can join in the fun too. For a five-dollar donation, teachers can wear jeans throughout the day.

Do you have a special talent or skillset not represented above that you'd like to share with us as a volunteer? If you are interested in a unique volunteering role or project, please contact us at volunteer@childrenscancerpartners.org!
